Performance

Team BMC as part of the BMC Racing program

BMC Racing is a structure that groups high-performance teams in different disciplines of cycling under one banner, leading to strong commercial and industrial partnerships.

It's not just about winning races; it is about building a community of like-minded individuals and organizations who share a passion for cycling and a commitment to excellence.

Fourstroke 01 TEAM

Crafted specifically for the elite races of the 2024 Olympics, this exclusive iteration of the Fourstroke 01 boasts a frame finish designed for optimal weight reduction.

Equipped with top-of-the-line, lightweight components, it's engineered to relentlessly pursue every fraction of a second in the fiercely competitive arena of XC racing.

Fourstroke 01 TEAM

Carbon Finish

Carbon finish with minimalistic artwork for lowest possible frame weight and a complete bike weight of 10.3 kg.

APS Technology

Tried. Tested. Refined. Raced. The gold standard in stiffness, efficiency and traction.

Autodrop Dropper Post

Most advanced and integrated dropper post that drops and rises with the push of a lever.

Fourstroke 01 TEAM

High End Components

SRAM XX SL Eagle Transmission, the best in class drivetrain for the highest demands of racing.

Öhlins Suspension

RXC34 Carbon 120mm Fork and TXC2 Air shock with DT Swiss Remote Lockout.

Duke Carbon Wheelset

Ultralight Duke Lucky Jack SLS4 – the flagship model of Duke's Carbon XC wheels with 30mm (F) 28mm (R) inner width.

Fourstroke 01 TEAM

A XC race bike with the most sophisticated frame finish and component choice. The Fourstroke 01 TEAM leaves nothing to be desired

Limited Edition

Available in only limited quantity – the frame that will be raced at the Olympic Games 2024 in Paris
